Case studies: how are small purchases carried out and reported? by contracting authorities

Plopa Silviu Plopa, IDIS „Viitorul"

The event takes place within the framework of the project "Strengthening integrity in public procurement", implemented by the beneficiary organization, as sub-grant recipient of the project "Strengthening integrity in public procurement". The project is implemented by the Institute for Development and Social Initiatives (IDIS) "Viitorul", in partnership with the Transparency Partnership Fund (USA). The project aims to support public procurement reforms in Moldova that will increase transparency and fairness in public procurement by empowering citizens to hold relevant institutions accountable.

Monitoring

- ▶ As part of the analysis, 23 contracting authorities from different regions of the country were monitored. Thus, 6 local public authorities (LPAs) from the North, South and Center regions were included. Four agencies and one ministry were also monitored.
- ▶ Contracting authorities have not been selected according to specific criteria in order to reflect the actual situation in the country and to provide greater objectivity of data and findings.
